
**TOWN OF KAPUSKASING
CLASS ENVIRONMENTAL ASSESSMENT
WATER SUPPLY SYSTEM
NOTICE OF FILING OF ADDENDUM**

The existing Class Environmental Assessment expired on January 5, 2006. Only construction of the Water Treatment Plant of the preferred alternatives was completed. The Municipality reviewed the existing Class Environmental Assessment Report and determined that the other items noted for construction being the Elevated Water Tank, Transmission/Distribution Mains from the Water Plant to the Elevated Tank and specified upgrades are still required on the project.

An Addendum has now been completed to the Class Environmental Assessment Report which was originally issued December 2000. The addendum contains details of the watermain alignment, water tank location and amended construction schedule.

By this Notice the Addendum is being placed on the public record for review in accordance with the requirements of the Municipal Class Environmental Assessment. Subject to comments received as a result of this Notice, the Town intends to proceed with the construction of this project in 2007 subject to obtaining suitable funding and obtaining the required final approvals.

The Addendum is available for review at the follow location:

Town of Kapuskasing
Civic Centre
88 Riverside Drive
Kapuskasing, Ontario

Telephone: 705-337-4252

Further information may be obtained from the Town's consultants, KMK Consultants Limited, 1 Station Road, Unit 2, Cobalt, Ontario P0J 1C0. Telephone 705-679-5979. Attention Mr. Bruce McMullan, Associate.

Please provide written comment to the Town Clerk within 30 calendar days from the date of this Notice. If concerns regarding the revisions to the Water Supply System cannot be resolved through discussion with the Town, a person may request that the Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as Part II Order), which addresses individual environmental assessment. Requests must be received by the Minister at the address below by January 26, 2007. A copy of the request must be sent to the Town Clerk. If no request is received by January 26, 2007, the Town intends to proceed with construction as outlined in the Addendum.
